The screenshot shows a 'Data Dictionary Configuration' dialog box with three tabs: 'General', 'Formula', and 'Rules'. The 'General' tab is active. It contains the following fields and options:

- Name:** A text box containing 'Schedule Adherence'.
- Description:** A text box containing 'The total time available to handle customer contacts' with up and down arrow buttons on the right.
- Level:** A dropdown menu showing 'Agent'.
- Measurement Period:** A group box containing six radio button options:
  - ☐ Intra Day
  - ☒ Daily
  - ☐ Monthly
  - ☐ Quarterly
  - ☐ Half Yearly
  - ☐ Yearly

At the bottom of the dialog are three buttons: 'OK', 'Cancel', and 'Help'.
